Designed for peaceful living, Crafted for lasting value

A perfect blend of investment and lifestyle, Parizaad farm villas offers a rare opportunity to own a nature inspired retreat with modern planning and architectural clarity.

PROJECT BY :

**PS BUILDCON LLP
Group of AHSM Services**

Parizaad Farm Villas offers a perfect blend of lifestyle and investment. An opportunity to own a nature-inspired retreat with thoughtful planning and architectural clarity.

PS Buildcon LLP presents Parizaad Farm Villas, thoughtfully located on Nandasan–Mathasur Road. This prime setting balances accessibility with natural surroundings, making it ideal for a peaceful, well-connected farm villa lifestyle.

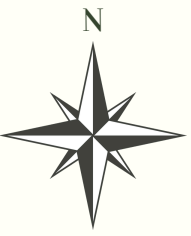

FROM THE DESK OF ARCHITECT :

Parizaad Farm Villas is conceived as a nature-led weekend living experience, where built forms harmonize with the landscape. Each villa is designed to balance privacy with openness, integrating elements like private lawns and herb gardens to strengthen the indoor outdoor connection.

The master plan prioritizes walkability, green buffers, and shared spaces, anchored by a central clubhouse creating a cohesive, tranquil community rooted in simplicity, functionality, and timeless design.

Architectural Design By :
Prit Y. Garala

In Association With :
Parth C. Savaliya
